

BUCKINGHAM ADJUSTABLE IN-LINE 4 D-RING BODY BELT

THE PROFILE OF A 2 D-RING BELT WITH THE CONVENIENCE OF A 4D BELT

4 D-Rings

Makes use of WPFR devices like the EZ Squeeze™ extremely simple.

In-Line D-Rings

Belt has the profile of a 2 D-ring belt with the convenience of a 4D belt.

Narrow Back Pad

Like the 2 D-Ring belts that linemen have grown accustomed to.

Adjustable Work Positioning D-Piece

Allows the user to customize the size of the body belt at any given moment.

Adjustable In-Line 4 D-Ring Belt™ 20122CEM

The revolutionary patent-pending Adjustable In-Line 4 D-Ring Body Belt™ offers an adjustable work positioning D-piece that allows the user to customize the size of the body belt at any given moment.

Features:

- The Buckingham 4 D-Ring In-Line Belt has the profile of a 2 D-ring belt with the convenience of a 4D belt.
- Makes use of WPFR devices like the EZ Squeeze extremely simple.
- This belt features a narrow back pad that is like the 2 D-Ring belts that linemen have grown accustomed to.
- The position of the secondary D-Ring keeps the secondary lanyard away from the user's feet while climbing.
- Users will now have a belt that can adjust three to four sizes.
- One of Buckingham's lightest belts.
- High quality leather.
- Weight 6.5 lbs.
