FIRE RESCUE KITS

INCREASE CAPACITY | IMPROVE EFFICIENCY | SAFE AND EASY OPERATION

Tractel®'s Griphoist®/Tirfor® rescue kit is THE ONLY kit you need on your truck. One-man operated, using a telescopic operating handle, it works in any position and over any height of lift. Built to last a lifetime, this wire rope hoist stands up to even the toughest challenges:

- Vehicle removal
- Rescue operations
- Large animal rescue
- Structural collapses
- Auto accidents
- 18-wheeler rollovers
- Tree and debris removal
- And a host of other accident and disaster applications

Rated for man-riding with a lifting capacity of up to 8,000 lb., the Griphoist/Tirfor is trusted across industry to make lifting operations faster and easier. Whether you need to move in small increments to avoid causing further damage or if you need to quickly reverse directions, you can do it all with a Griphoist/Tirfor rescue kit.

EACH KIT INCLUDES

- Steel box
- Griphoist/Tirfor material handling wire rope hoist
- 60 ft. (18 m) of galvanized wire rope with safety hook mounted on a carrying reel
- Telescoping handle for manual operation of hoist
- Appropriate snatch block pulley
- 6 ft. (1.8 m) wire rope sling with choker hook
- Two wire rope slings: 6 ft. and 9 ft. (1.8 and 2.7 m)
